	I have a minimum of 3 persons from the SOE and 1 person outside the SOE on my committee. One SOE member must be an approved methodologist. Exceptions: IDS uses 2+2 with one being the methodologist.
	I will not sign up for the preliminary exams until the announced sign-up dates each semester. I realize I may not change my committee members once I have submitted this form.
	I realize that no more than 3 credits of (all)799V will count toward my dissertation credit requirement until after the semester in which I have successfully defended my preliminary examination.
	I realize I cannot schedule my oral defense of my dissertation for at least two semesters after the successful defense of my preliminary exam has been recorded in the CSU Graduate School.
	I will complete the adviser evaluation forms when I submit the GS6 and GS25 forms to SOE.
	I will maintain continuous enrollment by either enrolling for a minimum of one credit or by continuous registration (CR) after the successful defense of my preliminary exam until I have met all graduation requirements.
