Petition for Waiver or Substitution of School Master's Requirements

Procedures for Completion - Requests for waivers or substitutions are initiated by the student and adviser. This form should be returned to the Director of Graduate Programs. After action for approval or disapproval is taken by the Director of Graduate Programs or the Graduate Programs Committee, copies will be distributed the student and adviser.

If school requirements are not met on the GS 6, the GS 6 will not be forwarded to the Graduate School until the approval of the substitution or waiver has been verified by the submission of this form.

If substitutions or waivers are needed after the program of study has been approved, the request for approval should be submitted when the need arises. All requests for substitutions or waivers must be submitted prior to the submission of the GS 25.
